Beautifully presented, precision built by Carlisle homes and perfectly located across from park and wetland is this striking home with ultra contemporary façade. The owners have spared no expense with a number of recent renovations to present the home as better than new. Buyers with a car collection or just wanting mega garaging will be blown away by what this magnificent home offers. Offering 4 bedrooms, master with ensuite and walk in robe, a full sized kitchen with 900mm stainless cooking, glass splash back and servery window to the private alfresco. The huge living and combined meals area are at the center of the home. From here, there are glass sliding doors that service the timber decked alfresco and the mega car storage. Not in to cars, this area is just amazing as one of the biggest outdoor areas you will see. Other extras include, 13 solar panels, down lights, alarm, ducted vacuum, ducted heating and cooling, as well as 2 split system air conditioners. With close proximity to public transport, freeway access, Heritage Springs shopping precinct, quality schools, This home is a must inspect for the fastidious buyer.
