Located in the growing popular suburb of Bonshaw is this well designed three-bedroom home. As you drive in you are greeted by the double crossover entry to the double lock up garage. As you enter the home you are greeted by the amazing floor plan. Throughout the home you have an open plan living space with kitchen, living and dining area. Off the main hallway you will find the master bedroom which accommodates a WIR and ensuite. The other two bedrooms feature built in robes. A well thought out laundry is off the main hallway with a double door linen cupboard with ample shelving. The kitchen accommodates stone top benches with the island bench featuring built in bench sink and dishwasher. The kitchen features A built in pantry and a 900mm freestanding oven and cook top with tiled splash back. The main bathroom is in the rear of the home with similarcolours and features to the ensuite but featuring a bath. The most ideal climate control is through the home with split system cooling/heating as well as gas central heating throughout. At the rear of the home is a low maintenance yard with an alfresco that has shading. With well-established grass and gardens. You also have the side access. This one won't last long, call Alex Stepnell today 0407 373 507.
