\$495,000 - \$540,000

Consisting of three bedrooms and a study, a separate studio/bungalow, and a large 592 sq. metre (approx.) allotment, this renovator's canvas showcases one of Melbourne's best value propositions in a location just steps from shops, schools and parklands. The flexible floorplan offers a generous lounge and dining area, enhanced with an open office/sunroom and a sitting room to the opposite side of the kitchen. The three bedrooms are serviced by a family bathroom and separate toilet. A number of outbuildings in its vast rear yard include a multi-room plumbed studio with potential for additional accommodation, sided by a shed/aviary collection in the far corner. Complete with split-system air conditioning/heating and a carport, this home sits just metres from Pines Forest shops, Monterey Secondary, Eric Bell Reserve, Pines Forest Aquatic Centre, public transport, and easy freeway access.
