Have you ever wanted to relocate to the country and live on over an acre and be 5 minutes from the lovely riverside township of Murchison! You will love the outlook to the country farm fields from your back yard and enjoy so much land (4500m²) with established trees and rose gardens. In a secluded cul-de-sac this 3-bedroom brick residence is ideal for the family and with room to move, your weekends will encompass your own garden surroundings to enjoy. The central main kitchen is updated with tons of cupboard space and expansive bench space ideal for informal eating. This then opens to the spacious family room that flows to the outdoor undercover entertaining patio that takes in the country atmosphere from the surrounding farmlands that will be enjoyed all year round. With a sunny north facing formal lounge for additional family needs that has a wood heater and wall air conditioner. For the 'Man Shed' there is a powered double bay steel shed and lock up garage. The main bedroom has an ensuite and built-in robes with drawers. Other features include; Solar power 3.5 kw Single undercover carport Main bathroom has a shower over the bath Separate toilet Massive covered nursery
