A family haven of exceptional dimension and quality, this private custom-built residence is located in a peaceful friendly cul-de-sac. Considered design and exceptional craftsmanship combine with fully equipped resort inspired yard to deliver a perfect environment for family living and entertaining. Oriented to the north, interiors are embraced by leafy vistas and spill out to all-season alfresco spaces and sunny landscaped gardens with a sparkling solar heated pool as the centrepiece. A chef's kitchen forms the social heart of the home while a vast selection of formal and casual living spaces and five substantial bedrooms offer plenty of space for families to work, play and quiet retreat. It is a short easy walk to quality schools, Glenrose Village, Lionel Watts Oval and nature trails.- Custom built by the current owners in 2008, palatial floorplan - Ticks all the boxes for family living for all occasions throughout the seasons - Sunny north facing position, magnificent views across the treetops - A superb selection of formal and casual living zones for families - Fully equipped outdoor entertaining with heat strip, tv and sound system- Vast child-friendly level lawns surrounded by landscaped gardens - Gourmet stone finished island kitchen with stainless steel Neff gas appliances - Four oversized bedrooms with built-ins, including the parent's suite - Lower-level 5th bedroom/study, deluxe bathrooms, functional laundry - Oversized triple garage with storage and internal access, driveway parking - Air conditioning, water tank, alarm, plantation shutters, solar panels
