\$335,000 - \$365,000

Step into comfort and style with this brick veneer home set on an expansive 929m² (approx) allotment. Internally, this home has been freshly updated with new carpet and paint throughout leaving nothing on the to-do list. Inside, discover a smart flowing floorplan with an independent family room, fully functional kitchen/meals area, a main central bathroom and three bedrooms providing ample space for relaxation. Experience year-round comfort with reverse cycle heating and cooling throughout, ensuring a pleasant atmosphere in every season. Outside showcases an established front garden with an automated sprinkler system and a blank canvas out the back waiting for you to add your own touch of landscape. With fresh updates throughout and a spacious allotment, this property is a perfect blend of style and functionality.
