Situated in a beautiful tree-lined street in a much sought-after, family-friendly Hawthorn East location; this stunning residence was designed by the renowned architect, David Watson; resulting in a home which is a triumph of light and space with high ceilings throughout - epitomising contemporary elegance and luxury. Large and strategically positioned floor to ceiling windows flood the interior with northern light and winter sunshine over both levels; featuring light oak floors flowing through a long hallway past a bathroom/powderroom and superb formal sitting room or possible main bedroom if desired. A glass sided staircase leads to three upstairs bedrooms, including a sumptuous main with WIR and a large fully-tiled ensuite, a family bathroom and a home office, additional bedroom or children's retreat. A spectacular family domain incorporates a state-of-the-art marble kitchen equipped with a full complement of Miele appliances, Vintec bar fridge, long island bench, butler's pantry and adjacent laundry. Overlooking a sundrenched deck with built-in gas barbeque, concrete fire table, alongside a solar/gas heated lap pool - just perfect for alfresco relaxation and entertaining family and friends. Other comprehensive appointments include video intercom entry, alarm, hydronic heating, refrigerated air conditioning, R/C air conditioners and overhead fans (upstairs bedrooms), gas stone FP (living), ducted vacuum, electric blinds, extensive storage and two remote garages, one front with a remote gate, secure internal access plus off street parking and one at the rear with ROW lane access. This exceptional home is further enhanced by a brilliant location in a most desirable street in the Auburn South Primary zone, close to the Tooronga shopping complex or Camberwell Junction boutiques, restaurants, cafes and the Rivoli Cinema; with quick access to many of Melbourne's other prestige schools, including Scotch College and Bialik also the CBD via public transport or CityLink, the popular Anderson Park and Gardiner's Creek parklands and trails - all providing the marvellous lifestyle benefits which underpins the desirability of this residential area.
