Designed with a focus on practical minimalism, this 3-bedroom residence exemplifies an ideal blend of form and function, captivating with high-end finishes, a spacious layout, and an endearing style for those seeking a sophisticated yet welcoming abode in the heart of a thriving Wollert neighbourhood. A bold facade makes a striking first impression, stepping inside over timber-look floors into a large lounge area separate from a dine-in kitchen, featuring sleek stone counters, top-quality appliances, and seamless outdoor integration through sliding glass doors to a private yard. Carpeted stairs lead up to the accommodation level, where a main bedroom leads three total bedrooms with a walk-through robe and a twin-vanity ensuite. Additional features include split-system air conditioning, LED downlights, a garage, and a magnificent central location, moments from Wollert Primary and Secondary schools, Bellavista Park, Aurora Village, public transport, and easy Hume Freeway access.
