Quietly positioned in an established street, the home has been meticulously cared for and is immaculately presented having been recently painted. Its generous floor plan consists of four bedrooms, each with plenty of storage in their built-in wardrobes, and the main bedroom featuring a tidy ensuite and walk-in wardrobe. The open plan kitchen and main living room complete the home, while an additional two living spaces provide enough space for the whole family to relax. Outside, the north-facing, low maintenance yard continues to appeal, with the covered outdoor area connected directly to the living room and kitchen making entertaining friends and family a breeze. A double garage access through the entrance hallway and the secure rear yard creates the ideal space for kids or pets to play with excellent side access for storage when needed. Shannon Waters Estate provides ample open space, walking tracks and playgrounds and is within close proximity of many excellent school options, a growing community on the edge of town.
