Positioned in one of the best streets of Driver , you will find the picturesque Emma Court. Just walking distance to Palmerston CBD, Shopping Centres , Friday night markets, the Palmerston waterslides and local golf course. Only 10 years old , this elevated home features 5 good sized bedrooms, ensuite bathroom to master and open plan living. There is a generous kitchen with loads of storage leading onto the front balcony for BBQ`s and entertaining friends and extended family. Timber floorboards add a nice touch and neutral colours throughout. This home has been cleverly designed to fill most of the block, to allow the owners to have shaded usable space under the home. All exposed concrete looks great and low maintenance. Excellent solar power system has been installed recently plus the home includes solar hot water also. You don't have to worry about the wet season, with automatic front gate, and loads of parking underneath for cars , 4WD`s , caravans etc. Fully fenced , established gardens and irrigation installed. Come and see for yourself this large , low maintenance home this weekend. Contact Richard Sawyer today for more info (more photos coming)
