Lovely cottage style living with huge yard and shedding. Includes 3 bedrooms, 2 with built-in robes and external exit from 3rd bedroom. Lots of space in the huge family and lounge rooms, and separate meals area off the kitchen. The kitchen is neat and tidy and includes electric hot plates and wall oven. The updated bathroom includes separate bath, shower and vanity. Large laundry with double trough and a second toilet. There are 2 sheds. One 6x9 workshop with power and concrete floor. The other is also of ample size and has roller door and personal door access. Plenty of lovely shaded outdoor space including double carport. If you love the serenity of country living, this home will be perfect!
