This charming 3-bedroom plus office Colonial home has recently enjoyed some tasteful refurbishments resulting in a beautiful and practical place to live. The property sits in an elevated spot with views across Banca Ridge to the Northwest and only a short walk to Mount Marley and the Town's CBD. Inside, the home consists of a large kitchen, a spacious dining area and a cozy lounge room. All 3 good sized bedrooms lead off the main living space and one of them has an additional study room attached. The internal laundry is neatly tucked away leaving space for the huge bathroom with shower, bath, and lavatory. The back door steps out to a small deck area and the lovely gardens that have been procured over the years with a great selection of fruit trees and flowers. A deep shed provides accommodation for 1 car and plenty of room for extra storage or a workspace. The backyard is fully fenced and a section of the front verandah has been enclosed for pets to roam in. Great property in a great location. To organise an inspection contact Logan Steele on 4681 3311.
