This is the once-in-a-lifetime dream that you've been waiting for – the grandeur of a palatial five bedroom, five bathroom residence with a showstopping panoramic view out to Box Hill's soaring skyline. Only a few short steps away from Westfield Doncaster, you will be spoilt for choice by the vibrant café and dining culture, alongside the high-end retail stores and fun-filled entertainment. An exquisitely custom-designed home with French provincial architecture, the rich oak parquet floors and high ceilings provide an elegance to the residence. The spacious upstairs terrace, which overlooks the stunning suburban views, means you can enjoy gorgeous sunsets from the comfort of the home. Stately coffered ceilings crown the vast open-plan dining and family room. You can inspire your inner chef with the epicurean kitchen that features a stunning large waterfall stone island, fully equipped with Miele appliances, a walk-in pantry, and a second kitchen with Fotile rangehood. Retract the bi-folds and invite your guests to dine under the alfresco overlooking a sunny backyard lawn. The versatile rumpus room is matched with a large upstairs retreat. Boasting multiple master bedrooms, each one enjoys extra-large proportions, a walk-in robe and a floor-to-ceiling tiled ensuite. Residing at 725sqm approx. with a low-maintenance front yard and backyard lawn, the house is beautifully equipped with a powder room, six-zone central heating/cooling system, ducted vacuuming, double glazing, security alarms, video monitoring, automatic gates, and a three-car auto garage with internal entry. The property is within walking distance to the new Doncaster Private Hospital, Bunnings, Mercure Hotel, Koonung Creek Trail, Doncaster Primary School and Doncaster Secondary College. It is also in close proximity to multiple shopping villages, cafes, restaurants, the freeway and buses bound for Box Hill, hospitals, Deakin University, private schools, and Melbourne CBD.
