Tuesday, 5 December 2023

15 Gilchrist St, Moura, Qld 4718

Bedrooms: 4

Bathrooms: 1

Parkings: 2

Area: 936 m2

Type: House

Karen Botha

\$230,000

Bought approx two years ago as a fixer upper, you will not recognize this one. This has clearly not been the sellers first rodeo when it comes to renovations. The house sits on a large approx 936m² corner block behind colourbond fencing - absolute privacy! Coming through the gate, you are met with established gardens , a large double carport and a concrete floor with power for the caravan. Besides the three large internal, air-conditioned bedrooms, there is also a bedroom/ office/ studio with external access - ideal for the teenager or home office. The main bedroom has a lounge adjacent to it to be utilized as a parent's retreat, while the family room can be where the kids do their thing. This is open plan to the kitchen, which in turn exists through the large laundry to the undercover entertaining area and rear yard. Property Code: 1546
