Molloy Island is a private island accessible only by owners and their visitors. The barge transports you to and from the island, making the beginning and end of your day a very peaceful and unique way to travel. Natural bush abounds on this large 1,923 sqM block, located in quiet Hale Avenue. The slightly sloped block could comfortably house a northerly facing dwelling, not only for the winter's warmth but also to take in the beauty of Mother Nature. Walk the trails, fish the river or just sit back and relax. The owners have expressed that they would like to have this sold quickly, and they have priced the block accordingly.
