Luxurious, contemporary living amidst serene landscapes here at "Ke Mahi". Spanning over 15 meticulously manicured lake fronted acres on the shores of Lake MacDonald. This exceptional property seamlessly blends modern architectural finesse with the allure of a tropical haven, presenting unparalleled panoramic vistas that will captivate your senses. Step into luxury living on the ground level, where an expansive open-plan layout awaits. Enjoy the seamless flow of space, adorned with ducted air conditioning, a bespoke chef's kitchen boasting stone benchtops, walk-in pantry, entertaining servery, and premium appliances. This area is complemented by a sprawling living area that seamlessly transitions onto expansive verandahs, offering unrivalled vistas of Lake MacDonald and Cooroy Mountain. Set amidst clever design, indulge in your own private oasis complete with a north-facing lagoon-shaped heated pool enveloped by lush tropical gardens, grassed sunning areas, a covered deck, and a thatched pool house where you can enjoy a soothing spa while taking in the ever-changing sky and sunset over the lake. On this level, you will also find two bedroom suites, a guest powder room, a separate media room, and an office, offering ample space for relaxation and productivity. Retreat to the master suite, where tranquillity is supreme. Indulge in the lavish full bathroom adorned with a freestanding bath overlooking the lake, accompanied by a custom-designed concealed walk-in wardrobe, shoe wardrobe, and private balcony. On the adjacent wing, the second bedroom suite also enjoys sweeping views of Lake MacDonald from the bedroom and sitting space and features a walk-in wardrobe and ensuite. The lower level offers the option for self-contained, multigenerational living, teenager or guest accommodation has a huge living room with patio access and lake views. Here you will find generously sized, third and fourth bedrooms, bathroom, laundry and storage. Explore the wealth of amenities that embellish this extraordinary property, from its private lake access, keep active with a paddle whenever you like. The property is all set up for you to enjoy with established orchard, vege gardens, 8kw solar, Tesla electric car power station, bore, fully fenced (electric) paddocks and what some may say the greatest feature of the property a huge, powered security shed which features a car hoist and also hosting outdoor activity with a half-pipe skate ramp, a half basketball court, a fire pit, plenty of secure storage and parking. Relish in a harmonious blend of contemporary living and natural splendor at Ke Mahi, with its coveted location, impeccable design, and awe-inspiring vistas, seize the opportunity to own a slice of paradise unlike any other. Lake fronted properties rarely come on the market, this is your chance to make the extraordinary yours.
