Prepare to fall in love with this picture-perfect property. Set amid gorgeous floral gardens on its sweeping corner, there's plenty of space, character and privacy here for the family. A parkland position close to Jells Park and great proximity to Caulfield Grammar and Waverley Women's Sport Centre, let you walk to so many attractions in this leafy pocket of Wheelers Hill. Outside, a wraparound verandah, tessellated tiled entrance and beautiful garden with flowering Crepe Myrtles offers decorative beauty normally reserved for country style cottages. Inside, abundant living space, French style sash windows and a contemporary kitchen with the full Miele appliance suite present a magnificent setting for everyday living and entertaining. The generous floor plan unfolds with a formal lounge and dining room up front, meals area and family room in the centre, and a huge rumpus at the rear with a feature gas log fireplace and artisan leadlight window. The 3 bedrooms on the top floor include a private parent's retreat with its own ensuite and walk-in mirrored robe, with a versatile ground floor study also suited as a guest or 4th bedroom. Privately secured, 5KW Solar panel, Hydronic heating, with minimal lawn to maintain, this is a picturesque way to embrace family living along the green wedge of Jells Park, the Scotchmans Creek Trail and Glen Waverley Golf Course, spoilt for shopping and restaurant choice at The Glen and Wheelers Hill Shopping Centre, with city to coast access via Eastlink and the Monash Fwy.
