This 931m2 block is ideally located within a short stroll of the ferry terminal, shops and medical precinct. You could build your house and not need a car on the island. Courtesy buses are provided by most of the clubs and pub along with a taxi service if you need to go to the other end of the island - or there is a bike/walking path that runs the entire length of the island. Macleay Island is just 18 minutes by water taxi from Redland Bay and forty-five minutes from there to the airport or Brisbane CBD. Opportunity is knocking - will you open the door? Island life is so good. Disclaimer - All information detailed herein is gathered from sources we consider to be reliable.
