\$2,150,000 - \$2,300,000

Experience unparalleled comfort and luxury in this family home, complete with a double garage and studio, nestled on a sizable 965sqm block. From its striking façade to the meticulously landscaped gardens, this residence offers a seamless blend of contemporary design and thoughtful modern features, ensuring effortless family living. With superior inclusions, Control 4 smart home integration, and luxurious finishes, it stands as a sophisticated showcase of opulence, rivalling the best in the area. Spotted Gum hardwood floors, high ceilings, and abundant natural light perfectly complement the home's chic tones. The open-plan living, kitchen, and dining area seamlessly transition to an expansive, all-weather entertaining deck, complete with ceiling fans and downlights. The kitchen, boasting Caesarstone benchtops and a gas cooktop, also offers ample storage and soft-close drawers. Skylights in the dining room complement the generously proportioned living spaces. Accommodation comprises four bedrooms, two bathrooms, and a double-car garage with a large studio and additional off-street parking. The landscaped gardens have been thoughtfully designed to mature alongside the home, ensuring an enviable lifestyle retreat of privacy, prestige, and effortless entertaining. This warm and spacious home promises to provide a mountain haven for families in all stages of life, with free-flowing interiors offering the perfect combination of separate zones for entertaining and individual solace. Positioned within a short walk from amenities, city train links, and a variety of restaurants and cafes, convenience and comfort converge in this exceptional residence.
