Looking for a quality new home, or your next investment? Look no further, this well-built four-bedroom home is the perfect place for any savvy buyer. Having finished its construction in 2023, the property is positioned in the new Park Lanes estate and surrounded by quality established homes, all while only being only minutes from Eastwood and Bairnsdale's CBD, why would you buy anywhere else? A desirable open plan layout combines the kitchen, living and dining rooms together, highlighted by the attractive stone benchtops adorning the quality cabinetry and deep walk-in pantry. A second living space coming off the wide entrance hallway provides an excellent spot to relax and unwind while the master bedroom comes equipped with ample space in its walk-in wardrobes and modern ensuite bathroom. The three additional bedrooms are all privately located away from the living area, giving each their own section of the house while incorporating built-in wardrobes ensuring you'll never be short on space. A sleek central bathroom services the rest of the home and includes a bath and convenient separate toilet. Flowing from the main living space, the alfresco deck creates a perfect entertaining space for family and friends underneath the covered open space directly connecting to the secure, northern backyard. Access through the side gate offers the opportunity for extra storage while the double garage at the front of the home is a secure and safe option to park your cars daily that directly connects to the inside of the house. Quality built, low maintenance and conveniently located, this ideal family home is waiting for you to discover.
