All the hard work is done! This stunning home has been extensively renovated – we congratulate the current owners for the presentation of this stunning home. Featuring new flooring throughout and freshly painted throughout, this house has the fresh and clean feel of a new home. The 3 good sized bedrooms, the master with ensuite, are nicely set out in the floor plan. The new bathroom is stylish and is a great size, perfect for the growing family. A nice open plan living area greets you on arrival and with features such as a woodfire heater and reverse cycle air conditioner, this space is an ideal gathering area for friends and family. The well-appointed kitchen sits ideally placed to take advantage of entertaining guests in the living area and is just as convenient when catering for family and friends on the undercover rear deck overlooking the large backyard. Once on the rear deck, you'll love the option to cook outside on the BBQ or simply sit back, relax and enjoy watching the kids and pets play in the open backyard. A new single lock-up garage is a great addition, ideal for secure parking or why not set it up as a workshop or home gym. This really is a move-in ready home. Located close to schools, shops, cafes, healthcare and within 18km of the golden beaches at Tathra. To book your private inspection, call Stuart Cook at LJ Hooker - Bega on 0418 525 192.
