A tropical and spacious design begins with the expansive open kitchen, living, and dining area, seamlessly connecting to the rear deck and pool space. The residence boasts an impressive theatre room and an office. The generously sized master bedroom includes a spacious walk-through robe fitted out with his and her drawers and plenty of hanging space, this is situated discreetly behind the bulkhead, guiding you to the ensuite. At one end of the house, two spacious bedrooms share a stylish bathroom with a large freestanding bathtub and a refreshing rain shower. The 5,456-square-meter property has been meticulously landscaped with rock features on its gently sloping terrain, offering a delightful sitting area that overlooks the property-providing an ideal spot to bask in the tranquillity and serenity. Lawn maintenance is conveniently covered in the rent payment. Please note, the large shed on the property is not a part of the lease. To Apply: app.snug.com/apply/p/vwdMnnOSg
