Here we have a neat & tidy 4 bedroom, 2 bathroom brick & tile home that is situated on a 685m² lot with open park and playground area right next door with features that include timber floors, reverse cycle air-conditioning, double size workshop + sound room, ample parking for multiple vehicles + much more.. High trussed double carport. Wheelchair friendly bathroom. Full security . Workshop with access. Spacious lounge room & dining areas. Timber floors. Solar panels. Below ground pool. Easy access to major arterial routes Great family home to move straight into, the current owner has enjoyed the last 20 years living here but the time has come to move on and let another family take over and enjoy what they have for many years. You will find the location most convenient with Swan park recreation centre and the new Woolworths in Midvale just a short stroll down the road as well. For further information or a private viewing please call me direct today on the numbers provided.
