From this spacious, five bedroom Resort home with golf course frontage, one can enjoy what is considered one of the very best views at Moonah Links - views spanning out towards Bass Strait, the coastal sand dunes of St Andrews Beach and the rural views towards Red Hill. The residence is an entertainers' absolute delight. It features all the essential elements sought after by our discerning buyers, including functional design, quality build, spectacular views, tranquil setting, generous-sized living spaces indoors and outdoors, great food preparation areas indoors and outdoors (2 kitchens indoors and 1 outdoor kitchen), quality fittings and fixtures, timber floors and low maintenance garden. Architect-designed for the Moonah Links lifestyle, the outdoor living areas are as central to the design as the inside. These outdoor living areas, including the outdoor kitchen area, have recently been extended and upgraded to make outdoor living at 15 Nagles even better. An alfresco dining/entertaining deck, a large swim-spa pool, all off the living area, are perfect for long lunches and sunset cocktails. New, fixed deck umbrellas have also been installed.
