\$590,000 - \$645,000

Blending exquisite contemporary design with superb lifestyle convenience, this striking single-level home offers an oasis of serenity and coastal-inspired elegance in a highly sought-after enclave. Walking distance to Woodlands Primary School zone, Langwarrin Plaza, reserves and public transport, this pristine residence will appeal to a range of buyers, whether starting out, sizing down or raising a family. Awash in natural light, the comfortably sized interconnected living and dining zone boasts woodgrain flooring, sheer curtains diffusing the light and a neutral colour scheme to backdrop your own interior decor. A stunning kitchen with stainless-steel appliances, a gas cooktop and waterfall-edge timber-topped island anchors the space, while a harmonious connection with the outdoors is facilitated via sliding glass doors opening to an expansive alfresco deck for outdoor living and dining with friends. The sleek lines and contemporary comforts continue in the three bedrooms, which are serviced by a full family bathroom, plus a private modern ensuite off the master bedroom. Zoned for Elisabeth Murdoch College and just 5 minutes' drive to the major shopping of The Gateway with the Peninsula Link freeway only just beyond, the property comes with ducted heating, split system airconditioning and a double garage with roller doors on both sides.
