Peacefully positioned in a prized pocket, this meticulously maintained 4 bedroom, 1 bathroom home is sure to provide families with enduring lifestyle comfort, but also offers exciting possibilities on 917sqm (approx). Awash with natural light and underscored by timber floors, an inviting ambience filters through a cosy lounge, to a spacious living/dining zone and immaculate stone-topped kitchen. To the rear, you will find a huge covered deck and terrace, providing exceptional outdoor entertaining, overlooking a flourishing fruit tree garden. Whilst perfectly comfortable with ducted heating, split system AC, second WC and double garage/workshop, there are plenty of options to be explored; retain the existing dwelling and build another to the rear, or wipe the slate clean and consider building your forever home or multiple townhouses (STCA). A prime position, moments away from multiple primary schools, Oakleigh Central, Chadstone Shopping Centre and the Monash Freeway.\*Please Note\* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
