Occupying a vast 1494 sqm corner allotment (approx.) alongside a self-contained 2-bedroom unit, this warm and inviting single-level residence delivers faultless family living and exceptional indoor-outdoor enjoyment. Enriched with vibrant gardens and distant city views, a timeless façade reveals a family-focused layout highlighted by four bedrooms and separate living zones. Emphasising great functionality, the entrance foyer affords smart separation between the formal lounge area with an open fireplace and skylit dining zone, with a generous main bedroom complemented by a walk-in robe, stylish ensuite with full-height tiling and evergreen outlooks. A substantial separate living area is a versatile space that could make the perfect fourth bedroom or home office. Looking across the beautiful gardens, a sizeable sitting area and casual meals zone adjoin the showstopping kitchen boasting a sprawling island bench, plentiful cabinet space, walk-in pantry and high-end Bosch appliances including two pyrolytic ovens, integrated dishwasher and 900mm gas cooktop. Zoned for family living, down the end of a quiet hall lies 2 robed bedrooms serviced by the main bathroom with a bath, separate shower and WC. A wonderfully private backyard features a firepit area, with lush landscaping and all-day sunlight enriching summer afternoons with friends. Making use of the side frontage on Olivebank Road, a spacious self-contained unit enjoys its own tranquil garden, driveway and carport, with features including a light-filled living zone, bathroom with separate WC and 2 robed bedrooms. A double carport with extra height access allows for caravan or boat storage and resides next to a workshop/tool shed, while further highlights include gas heating, split-system cooling, family-sized laundry and an abundance of storage throughout. Placed amid a peaceful cul-de-sac that is just steps from Ferntree Gully North Primary School, you are also within easy reach of Ferntree Gully train station, village shops and walking trails, with Boronia Junction and Knox Westfield close by.
