This well kept home would ideally suit the first home buyer or investor. Located in a nice street and featuring good size lounge, galley style kitchen and dining area, 3 bedrooms all with built in robes, main bathroom with separate toilet and good size laundry. Year round comfort is provided by ducted cooling, combustion heating, a R/C split system to the lounge and ceiling fans in all bedrooms. Outside features a nice paved rear courtyard, roller shutters, solar hot water service, roller shutters, brick shed / workshop plus 3 x garden sheds, carport and several modular rain water tanks. All this and nice established gardens. Ideally located close to schools, transport and the hospital. Make a time to inspect before you miss out.
