\$1,525,000

Discover the exceptional potential of 15 Prince St, Essendon North, a substantial 696m (approx.) block ideal for a major renovation or a knockdown and rebuild (STCA). Located on a quiet, tree-lined street, this property is currently uninhabitable but is perfect for investors, developers, or aspiring homeowners ready to take on a project. Enjoy proximity to local schools, parks, public transport, and Keilor road and North Essendon Village's vibrant amenities. Embrace the opportunity to create a custom-designed dream home or explore the possibility of subdivision (STCA) in one of Essendon North's most desirable locations. Contact us today to arrange a private inspection.
