The dimensions are ready – all they need is a dream, a design and a development, STCA! This substantial block of some 669m² provides pure potential for accommodating multiple residences, or a significant single new home, in a setting that's directly opposite Pritchard Reserve's Playground and parkland expanses. Proximity to the Matthews Hill precinct, Caroline Chisholm Catholic College, Dinjerra and Christ The King Primary Schools, Central West Shopping Centre and Tottenham train station further enhances the opportunity to invest in an exceptional site and make a major impression in a location that will always be popular. Explore the possibilities and pursue the potential that only a blank canvas property can provide!
