Please contact Scott McPharlin from Magain Real Estate for all your property advice. This timeless 1980s architecturally designed masterpiece is surrounded by nature. Set on a sprawling half-acre block, it boasts rambling natural gardens and ample room for kids to run and play. Privacy and tranquility are yours in this lovely quiet spot. As you enter you'll be greeted by a cosy lounge with combustion heater for winter movie nights. The big windows throughout this home help to bring the beautiful natural surrounding indoors. Generously sized rooms and multiple living areas provide space and comfort for all your needs. The authentic timber kitchen is spacious and an inviting place for those that like to cook or bake. The family bathroom features a large corner spa and separate toilet. Outside you'll find a double carport and fully lined studio/rumpus room. Your imagination will become reality with the addition of some fruit trees and your very own veggie patch. Other things we love about this home: *Plenty of rainwater storage* Ample garden shedding* Ducted reverse cycle heating/cooling* Robes to bedrooms 1 & 2 While it feels like a world away, you're just a 20-minute walk from Bridgewater and less than 30 minutes from the city by car. This home is picture perfect and so beautifully maintained, ensuring you can move in and start enjoying your new relaxed lifestyle straight away. **All floorplans, photos and text are for illustration purposes only and are not intended to be part of any contract.
