\$736,000

The flexibility of three distinctive living zones instantly illustrates the family appeal of this impressive, single level four bedroom home in the heart of Craigieburn. A formal lounge overlooking the established, attractive front garden and a separate family room opening to the rear pergola and paved patio frame a central kitchen/dining domain of significant size. Open-plan excellence defines the kitchen where stone benches, modern stainless steel appliances and patio outlooks add to the attraction. A main bedroom with a walk-in robe and ensuite, three further bedrooms and a family bathroom convey the enduring quality and welcoming character that are this home's signatures. A separate laundry, ducted heating, timber flooring, designer tiles, impeccable presentation and ideal outdoor surroundings that include a secure double garage with drive through rear access further enhance the opportunity to experience that lifestyle success that's such an integral element of a Craigieburn address. Primary and secondary schools, shopping options of Craigieburn Plaza and Craigieburn Central, Yarcombe Crescent Playground and the golf course lead a long list of local assets accompanying this ideal property on an allotment measuring some 650m
