Tucked away in a quiet location, this cosy co-joined 2 bedroom, 1 bathroom house is a gem that's been given a fresh makeover. The whole house has been updated from top to bottom in the last two years, making it feel like new. The sparkling new kitchen is light, bright and modern with plenty of storage and brand-new appliances that'll make cooking a joy. And the beautiful new bathroom? It has a large walk-in shower, a heated towel rack, and a new stylish vanity and toilet. You will also be spoilt with new carpet and vinyl, a new reverse-cycle air conditioner and a fresh coat of paint that just makes everything feel clean and inviting. The outside has had a makeover too, with aluminium windows and a professional paint job just 6 months ago. Plus, there's a single garage for your car. Outside, there's a small flat yard that's well fenced and has plenty of room for gardening or an outdoor space. So, if you're looking for a snug place with a modern touch, in a neat and peaceful spot, this might just be your new home sweet home.
