Situated in an elevated position on a generous 652 sqm allotment, 15 Rosewood Road is a three bedroom brick home that has been recently updated to enjoy a wide array of family comforts. Set back from the street, the newly laid driveway and a well maintained facade give this home commanding street presence. Upon entry, you are presented with a useful floorplan, with accommodation to the right and the open plan kitchen, living and dining to the left. Internally, buyers will immediately appreciate the presentation of the property, and notice features such as the original floorboards, recent internal painting, new blinds & carpet and separate laundry. The rear of the property is extremely useable, with a recently constructed undercover entertaining area that includes a jacuzzi, substantial gated off-street parking and an 18 sqm shed (approx). This is an opportunity to secure a spacious family home only a 10-minute drive to the popular Lindisfarne Village and a 20-minute drive to Hobart in a rapidly developing Eastern Shore suburb. Contact Matthew on 0429 229 087 for more information, or to arrange your inspection.
