This property is a real gem! Its prime location near The Botanical Gardens offers a wonderful setting for nature lovers and families. The recent refurbishment adds a contemporary touch while preserving the charm of its original features like timber floors and detailed cornices. With three bedrooms, it's ideal for first-time homebuyers or investors looking for a promising opportunity. The potential to extend further makes it even more enticing, allowing the new owner to customize and create their dream home. The modern kitchen and the convenience of a second toilet off the laundry enhance its functionality. Outside, the spacious yard presents endless possibilities, from creating a lush garden oasis to adding additional sheds or even a large deck for outdoor entertaining. The side access to a lock-up shed adds practicality to the property. Don't miss your opportunity to get into the Turvey Park market.
