Tucked away in a private location, 15 Scott Street, seamlessly blends with its natural surroundings. This cozy log home perfectly combines rustic charm with a stylish interior including vaulted ceilings, exposed beam, spotted gum engineered flooring, and VJ panelling. The easy flowing floorplan is centred around the open plan kitchen / dining / lounge / retreat that is flooded with natural light from windows on three sides. A striking 3.2m (approx.) American Maple timber bench is an inviting centerpiece to the kitchen, waiting for family and friends to gather. Preparation space is abundant with a second full-length bench that overlooks the pool area and garden surrounds. There are four bedrooms, all with built-in robes and garden views. The master bedroom is serviced by an ensuite with under-floor heating. The deluxe family bathroom includes a bath, shower, and built-in storage. The outdoor entertaining space features an inviting 6m x 3m (approx.) Plungie Max Pool with paved surrounds, perfect for warm summer days, and a lovely verandah where you can simply sit and take in the property's natural beauty. Separate laundry, large double carport (4.1m x 10.7m approx.), and a garden shed complete the property. All this is within walking distance of Macedon Village including the train station, shops, cafes, school, kindergarten, childcare centre, and Tony Clake Recreation Reserve.
