Nestled in the heart of Officer within the Arcadia Estate, 15 Seuss Drive combines elegant design for easy upkeep and a natural, uncluttered feel. A mere four years old, it caters perfectly to first-time homeowners, astute investors, and growing families alike. Beyond its contemporary exterior and low-maintenance front garden, you will discover a modern three-bedroom residence that exudes sophistication. As you step inside, you are greeted by inviting floating laminate wooden floorboards leading you into the expansive open-plan kitchen, living, and dining area. At the forefront of what sets this home apart is its meticulously designed front formal living area, seamlessly adjoining a versatile study room. The well-equipped kitchen is a chef's dream, boasting quality appliances, fixtures, and fittings, including a gas stove top, electric oven, stone benchtops, dishwasher, ample counter space, and an extensive walk-in pantry. The home comprises three generously proportioned bedrooms. The master suite is a standout, featuring a walk-in robe and ensuite. The remaining two bedrooms offer plenty of space and come with built-in robes, conveniently situated around the deluxe bathroom, which includes a shower and bath. Sliding doors open onto a beautifully designed rear yard with a grassed area and a concrete paved space that stands ready for you to entertain family and friends. This property boasts numerous features, such as a double remote garage with internal access, ducted heating, split cooling system, and more! When it comes to location, this property is a winner. It is conveniently located near Bridgewood Primary School, Officer Secondary College, and within walking distance of Lakeside Square, Arena Shopping Centre, transportation options, parks, restaurants, doctors, and a host of other amenities.
