We are thrilled to present this iconic home to the market, set on a rare level acre in a beautiful locale. This exceptional property, designed by top architects, maximizes its picturesque northerly aspect, capturing sweeping vistas of Surfers Paradise, Coolangatta, and South Stradbroke Island. Meticulously renovated by acclaimed designer Jayson Pate, every detail of this home exudes sophistication, seamlessly blending modern amenities with family-oriented spaces for indoor-outdoor enjoyment. The main residence impresses with its contemporary facade and spacious, versatile floor plan. Additionally, the separate council-approved cottage is perfect for family stays, growing teenagers, or as a potential income source. As you ascend to the living quarters, you'll be greeted by floor-to-ceiling windows that frame breathtaking ocean views and flood the home with natural light. The kitchen, equipped with Bosch appliances and ample storage, meets all your needs. This floor also features a large master suite with an ensuite, a spacious walk-in robe, a private balcony, and a versatile media room or bedroom for keeping young ones conveniently close. On the lower level, you'll find three additional bedrooms, a designated office space, ample storage, a rumpus room/second living area, and a double garage with workshop space or room for a home gym. Direct access leads to the incredible 14m pool, fire pit, and sprawling sundeck with a pergola, making it an entertainer's dream. Further Attributes:- 8Kw air conditioner- two garden sheds- 7x7 double bay shed including undercover space ideal for a boat or trailer- basketball half-court The gardens are beautifully established and cherished, and the land is a true rarity in the region... finding a flat, usable acre like this is exceptional. The home itself is a testament to forward-thinking design and it's the kind of place people drive by and think, "WOW, I would love to live there"... well, now you can.
