Premium property in a highly desirable street. With enviable views across beautiful rural properties, close to the river and in a lovely quiet cul-de-sac filled with quality executive homes, this property is a rare opportunity to create a beautiful family life in a purpose built home. With a large deck that overlooks the views, leading through sliding doors to the light and spacious living/dining room, galley kitchen and internal double garage access, this home provides plenty of space for a growing family. Three bedrooms, two bathrooms, and a large central living area towards the front of the property provides perfectly zoned living space. With generous under house storage, a fully fenced yard perfect for pets, and large double garage, low maintenance landscaping and side access, this property epitomises quality family inspired lifestyle and comfortable living. In close commute to the beaches and coastal environments of Gladstone, Crescent Head, South West Rocks and Port Macquarie, with selected private and excellent public schools available, close to the CBD of Kempsey and on the doorstep of the Macleay Valley, you can live the holiday lifestyle all year round.
