**\$1,700,000**

With enough space to house the largest of families and incredible vistas that you'll never tire of, this is a home you will simply love coming home to each day. Set on top of Buderim Mountain and taking in expansive ocean views including Moreton Bay Islands and as far as Brisbane and the Glasshouse Mountains, you cannot help but be wowed. A central atrium area compliments the timber floors, high ceilings and abundant glass to create a home that is both contemporary but loaded with character, plus bathed in natural light. Conveniently situated less than 1km walk from Buderim Village's cafes & shopping and with enough space and flexible living options to suit a variety of family structures, your lifestyle & future growth here is assured....- A substantial multi-level residence offering 6 bedrooms + office + separate living spaces, providing plenty of room to spread out- Great outdoor entertaining options flowing from the kitchen & living- Well equipped kitchen with stone benchtops, servery to verandah and plenty of storage including a walk in pantry- Low maintenance 894sqm parcel of land- Panoramic views are on offer from much of the home as are the cooling summer breezes- Master suite with walk in robe, ensuite and living space offers a real retreat- A range of options for working from home, home based business or the capacity to set up for dual living- Large capacity 10kw solar system with 6.5kw solar battery- Air-conditioned throughout- Huge (circa 35sqm) workshop/storage area under home- 2000l rainwater storage connected to garden taps An exciting opportunity to secure a unique and very special property, offered to the market by genuine sellers. Get in touch with Dan Smith for further information and to arrange your inspection ASAP.
