Originally built in 1915, "Stansall House" is a lovely character home which sits proudly on a conveniently located level block close to everything that thriving Glenorchy has to offer. There are magnificent bones here with wonderful period features including an inviting wide entry hall, high ceilings, generous room sizes, fireplaces and a charming staircase. This much-loved home has an updated kitchen and is now ready for new owners to make it their own. The flexible floor plan allows for three bedrooms, a good-sized kitchen / dining / living area plus a large utility room upstairs which would suit a variety of uses. There is a terrific level yard to the rear of the property with fruit trees, a paved courtyard at the backdoor and a garden shed. This is a beautiful property with huge potential, and we are confident it won't last for long due to its wonderful charm and close proximity to shopping centres, Government services, public transport, sporting facilities and the growing range of cafes, restaurants and specialty stores in Glenorchy.
