As you step inside this stunning single-level home, you'll be forgiven for thinking it's brand new. Renovated to perfection just two months ago, with only the floor frame remaining from the original structure, and showcasing brand new wall and roof frames, this home features exquisite design elements and modern features. Each room is both a stylish showpiece and a functional, contemporary living area. Unparalleled attention to detail has been afforded to each space, with an overall cohesive aesthetic felt throughout the home to create maximum visual impact, comfort, and appeal. Welcomed by a wide entry, the lofty heightened ceilings and windows allow light to filter through the living areas whilst ensuring privacy, and the neutral-toned flooring, wall panelling and crisp, white walls exude a peaceful palette synonymous with resort-style living. The master bedroom includes a luxe ensuite elevated by a sleek frameless shower screen, twin rain showerheads and a superb textured feature wall. Access to the veranda is also provided where you can enjoy the home's elevated position for a relaxing start to the morning. Two additional bedrooms are well-served by the renovated main bathroom which boasts an on-trend ribbed bath and matt black tapware. The elegant kitchen is the focal point of the home showcasing a fabulous breakfast island and the unique versatility of a bi-fold window servery which teamed with the expansive glass sliders, creates a spectacular flow from indoor to outdoor entertaining.
