This Nigel Ryde built home has been completed without compromise. December 2022 built and neat as a pin, come see for yourself and see why all the positives. A huge open plan living, dining and kitchen is the central hub of this special home. A special feature is the main bedroom with ensuite at one end of the house and the other three bedrooms with separate bathroom at the other. A theatre room is an additional feature of this wonderful home, a great entertainment space. An undercover patio with easy care gardens rounds off this package and with a double garage and central location, you won't be disappointed. Call Graham for your private inspection.
