In a serene mews style setting behind an architecturally striking exterior profile, this spectacular residence expresses the finest in contemporary design, luxury and sophisticated inner urban living over three sensational, sun-drenched levels. Embracing iconic Richmond views and northern light, the expansive open plan living and dining room is a feast of bespoke finishes with wide oak floors, high ceilings and a premium kitchen boasting stone benches, integrated fridge/freezer, Billi sparkling water tap and butler's pantry. Full width stacking glass sliders extend the living out to a large, decked Eckersley Gardens designed balcony with stunning circular plunge pool. On the top level offering wonderful views across the rooftops, the palatial main bedroom with a deluxe designer en suite with bath and walk through robes opens to a private north-facing balcony. Two additional bedrooms with robes and a stylish bathroom are on the ground level with an internally accessed double garage. Idyllically positioned just a short walk to Church St, Bridge Rd and Swans St's restaurant and retail precincts, trams, East Richmond station, Citizens Park and schools, it includes video intercom, ducted heating/cooling, remote sun awning, powder-room, Euro-laundry and storeroom/study nook.
