This four bedroom, two bathroom home has something for the whole family to enjoy. With two separate living areas, one featuring a fireplace that will keep you toasty in the chilly months and the other overlooks the covered outdoor entertainment area and sparkling in ground pool. The master suite has a generous WIR and ensuite, the 3 minor bedrooms are carpeted and are serviced by a bathroom with shower over tub and a separate WC is located next to the laundry. The home cook will have plenty of room to move in the kitchen, featuring gas cooktop, dishwasher, breakfast bar and loads of storage and bench space. The property is beautifully landscaped and has two very sizeable sheds for all your bits and bobs. Set behind secure fencing with an abundance of car spaces, this property is a must view.
