Welcome to 15 The Ironbarks, where luxury and tranquillity converge on a sprawling 4206m² block with side access, in the prestigious Nangarin Estate, Picton. This stunning property offers a lifestyle of unparalleled sophistication and comfort. Enter into a realm of refined luxury where five bedrooms and three bathrooms await you in comfort and style. The master bedroom stands as a haven of tranquillity, featuring a serene sitting area, bay window with plantation shutters, expansive walk-in robe and full sized ensuite with corner bath. Each of the remaining spacious bedrooms offer ample storage, plantation shutters and ceiling fans. A second full size bathroom with separate toilet and the benefit of a third ensuite further adds to the value of this home. Entertaining is made easy with multiple living areas showcasing a comfortable living room equipped with surround sound through to the open plan living and dining area featuring a magnificent free-standing fireplace. The central kitchen is a chef's dream, complete with an island bench, ample storage, and quality appliances inclusive of gas cooktop, double oven and dishwasher. Take in the tranquil vista of a well-manicured yard, where a spectacular heated inground saltwater pool awaits, surrounded by elegant travertine tiling, a cozy fire pit zone, a charming mini orchard, and a spacious double shed equipped with power. Further enjoy the comfort of ducted air conditioning, ceiling fans, and the convenience of ducted vacuuming, downlights, high ceilings, renovated internal laundry with ample storage and soft closing cabinetry, security screens, natural gas, French doors throughout and quality floating flooring plus much, much more! Don't miss the opportunity to make this exceptional property your own by organising a visit to this beautiful private oasis.....Contact us today to arrange a viewing and experience the epitome of luxury living at 15 The Ironbarks.** We have, in preparing this document, used our best endeavours to ensure that the information contained herein is true and accurate to the best of our knowledge.
