This recently renovated coastal styled home has everything on offer for young and old. A grand entrance with vaulted ceilings bringing in the natural sunlight year round, with a panoramic north aspect sets the tone for a well thought out floor plan. With internal access from the large double garage to the main entrance foyer adorned with wrought iron front doors, you will find the grand master suite, a further three bedrooms serviced by two additional renovated bathrooms and living room also on this level overlooking Port Phillip bay. Making your way down to the family, dining room and kitchen can be done either by the stairs or the internal lift. The generously proportioned family & dining rooms impress with the vaulted ceiling and have the entertainers at heart. Adjoined by the Chef quality kitchen, oversized stone benchtops and European appliances with pantry and cellar. The large outdoor alfresco seamlessly combines with the living rooms to create the feeling of space and openness. The heated indoor pool is conveniently accessed via the family room or rear patio for all year round enjoyment. Located in the heart of Mount Martha and a short drive to the newly established Martha Cove Marina & all of the amenities it offers, the beautiful local beaches of Mt Martha and Safety Beach, local cafes, restaurants and wineries plus National parks. A wonderful lifestyle awaits. Please contact Shae on 0491 640 812 to arrange a private inspection.
