**\$800,000**

Situated in the Bower estate of Medowie is this near new four bedroom home ripe for the picking. Consisting of four good sized bedroom, master with ensuite and WIR there is room for everyone. An open plan living creates space with a media/study or kids play room just off to the side you have somewhere to separate the busy family. Stone bench tops and ducted air conditioning make for a very comfortable home with side access and a well landscaped fire pit in the backyard create everything you could possibly need in a home. Why bother with the hassle of building when everything is done and ready to go here...
