Multigenerational living! A sleek, dual occupancy four-bedroom stunner, with a self-contained unit that screams 'in-laws retreat'. Situated in the family-favourite pocket of Leafy Langwarrin, close to schools, parks and shopping centres, this single-level home has undergone a premium makeover, ready for those craving modern comfort and room to grow. Central to family harmony and functionality, two living areas effortlessly merge, complementing the heart of the home - a kitchen outfitted with sleek stone benchtops and premium European appliances, including an induction cooktop and dishwasher. A stylish black tiled splashback stands in bold contrast to the endless pristine white cabinetry, setting a modern tone, and whether you're brewing morning coffee or mixing evening cocktails, the breakfast nook doubles as your cocktail bar. The open-plan family room becomes the heart of gatherings, offering seamless flow to outdoor entertaining spaces. Picture lazy Sunday barbecues and easy evenings on the broad deck, perfectly set up for all-weather enjoyment. And for those who'd rather spend time enjoying the space than maintaining it, the low-maintenance gardens mean more relaxation, less work. Three bedrooms feature within the main residence, comprising a luxurious master suite with an ensuite and walk-in robe up front, and two additional bedrooms with a chic central bathroom to the rear. The adjoining self-contained wing/apartment offers independence through its own kitchenette, ensuite, and separate entrance, perfect for extended family, guests seeking a bit of privacy or a secondary source of income. With all the modern comforts of high end split system heating/cooling, ducted heating, ceiling fans, and a double remote garage, life couldn't be more convenient, whilst the location within 'leafy' Langwarrin serves up lifestyle and location-just a short stroll to Lloyd Park and a few minutes' to Karingal Hub shopping, transport, and excellent schools.
