A joyous celebration of mid-century modernist design, this exquisite 1958 built home has been brought to life by award-winning architects and interior designers, ACME. Renovated and enhanced with the highest-quality, bespoke finishes, every detail has been conceived and delivered in harmony with the original architecture and with perfection in mind. Expansive, free-flowing interiors with oversized windows capture the landscaped outdoor spaces and pool, which are beautifully lit from a north-facing aspect. Positioned on 'Architects Row', and oriented to bask in an inspiring bushland outlook towards Northbridge, this spectacular home is positioned near to Tunks Park and Middle Harbour, with quick access to the city, and convenient proximity to Cammeray village amenities.- Mid-century modernist home originally built in 1958 by Emil Fretze- Exclusive bayside street next to protected reserve, never to be built out- Stunning north-facing living and dining with superb indoor/outdoor flow- Bespoke luxury joinery offers both functionality and adds to the sleek aesthetic- Bifolds seamlessly flow to frangipani-framed entertainer's terrace- Heated pool by Wright Pools with 'Palm Springs' inspired surrounds- Low maintenance outdoor landscaping by renowned horticulturist, Erin Martin- Designer Neolith stone kitchen, ILVE induction cooktop, walk-in pantry- Lower-level retreat-style bedroom with private entry & shower en-suite- Upstairs bedrooms with reverse-cycle air-con & high-quality built-ins- Ultra-sophisticated bathrooms with gorgeous aged-brass fittings and details- Master suite with walk-in wardrobe, shower en-suite, private balcony- American Oak floorboards, Lawson Fenning chandelier and pendants- Double secure carport, large lockable storage, option for three car parking- Cammeray Public School catchment, easy access to village and CBD transport
